SETIA
ecohILL2

Enjoy greener living amongst beautiful flora and fauna in their natural habitats.

Setia EcoHill 2 is an award-winning, freehold masterpiece from S P Setia's. The 1,010-acre township offers a fantastic living environment that is inspired by nature, featuring lush swathes of undulating landscapes.

Carefully manicured within an exotic emerald embrace, each landscape environment will offer residents a unique experience that encapsulates the elements of nature present at Setia EcoHill 2.

The township proudly preserves over 90% of Bukit Tempurung's original landscape and has created new recreational opportunities throughout its unique topography.

Setia EcoHill 2's Adventure Park was crowned Gold in the EdgeProp-ILAM Malaysia's Sustainable Landscape Awards 2020. The exciting park claimed further acclaim in the Malaysia Landscape Architecture Awards 2018, with the Landscape Development Award (Honour) Developer Category.

In 2019, its thematic landscapes had won—along with the hearts of many—the Excellence Award for the MLAA Landscape Master Plan Awards.

BANYAN

DOUBLE STOREY TERRACE HOMES

20' x 70'

Banyan is a part of the SEHati Collection, which is a guarded community secured with alarm system and round-the-clock security patrols, providing homebuyers with utter peace of mind.

This double-storey collection is surrounded by ample conveniences, including quality education at Tenby International School, Setia EcoHill Walk and fitness facilities, as well as event venues at Club360, Setia EcoHill's community clubhouse.

BANYAN

Award-winning 18-acre Adventure Park

17-acre South Creek Community Park

Nestled in the soothing embrace of nature.

Banyan, Setia EcoHill 2 is strategically located in Semenyih, Selangor. It is well connected with the city center via Kajang Seremban Highway. The LEKAS-EcoHill Link and other connecting roads provide convenient ways to nearby suburbs, where public amenities and useful infrastructure are readily available.
